

2026 EAP Digital Emotional Wellbeing

Employee Assistance Program

Your resource for help with daily challenges and difficult situations

Digital Emotional Wellbeing Program, Powered by NeuroFlow

Through your Employee Assistance Program (EAP), you can access NeuroFlow, a digital emotional wellbeing program that is available via mobile app or web browser. NeuroFlow provides activities and education for overall wellbeing.

Key features

- Access behavioral health support 24 hours a day, 7 days a week
- Complete activities such as deep breathing exercises, yoga, meditation or journaling
- Track mood, sleep, stress and pain
- Sync with activity trackers like Fitbit, Garmin and MyFitnessPal through Apple Health or Google Fit
- Access regular clinical assessments that track your wellbeing and clinical symptoms over time

Through NeuroFlow, access Magellan's award-winning Digital Cognitive Behavioral Therapy (DCBT) modules:

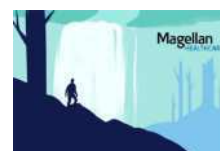

RESTORE
for insomnia

ComfortAble®
for chronic pain

SHADE
for substance use disorder

FearFighter®
for anxiety, panic and phobia

ThinkHero
for ages 6-12 to cope with anxiety

ThinkWarrior
for ages 13-17 to cope with anxiety

MoodCalmer
for depression
