Spend Smarter, Save More With FlexElect Reimbursement Accounts

OPEN ENROLLMENT: SEPT. 15 – OCT. 10, 2025

What Are FlexElect Reimbursement Accounts?

These accounts allow you to save money on everyday expenses by setting aside part of your paycheck before taxes are taken out. You use those dollars to get reimbursed for eligible expenses—so your paycheck goes further.

Two Ways to Save:

1 Medical Reimbursement Account (MRA)

Pay for out-of-pocket health expenses like doctor and dental visit copays, prescriptions, vision care, including glasses and contacts, and medical supplies.

2 Dependent Care Reimbursement Account (DCRA)

Pay for care expenses for children under age 13 (i.e., daycare, after-school programs and summer camps), and elderly or disabled dependents.

New for 2026: You can contribute up to \$7,500 to a DCRA (up from \$5,000 last year)—boosting your tax-free savings.

Why Sign Up?

Because these deductions come out before taxes, you can:

- Pay less in taxes
- Increase your take-home pay
- Save on expenses you're already paying for

Who Can Enroll?

You're eligible if you have a permanent position that is half-time or more. Not sure? Check with your departmental personnel office.

Already Enrolled? Don't Forget to Re-Enroll!

If you are currently enrolled, you must re-enroll during [Open Enrollment](#) to keep your account for 2026.

If you don't re-enroll, your participation will end on Dec. 31, 2025.

Don't want to participate for 2026?
